

SCHOOL DISTRICT GOALS AND OBJECTIVES STRATEGIC PLANNING GOALS – 05-06

CURRICULUM AND INSTRUCTION

- ✦ To continue to provide meaningful instruction that is informed by careful assessment and engages and challenges all students
- ✦ To continuously utilize technology as a tool in the learning process, in the monitoring of academic achievement and progress, and for communication among students, families, staff, and community members. This requires staff development, curriculum mapping, and ongoing enhancement of the technology infrastructure
- ✦ To improve instruction, increase student achievement, and enhance staff productivity by creating and implementing a staff-development plan that includes teaching, non-teaching, and support staff
- ✦ To maximize appreciation of diversity and promote personal and social development in our students, staff, and community
- ✦ To include as many students as possible in extra-curricular and athletic activities by equitably offering a wide range of opportunities and by supporting our coaches and advisors
- ✦ To understand, respond to and exceed New York State and federally mandated assessment and reporting requirements

COMMUNITY

- ✦ To increase family participation and student success through a cooperative relationship built upon trust, communication, and understanding among families, the schools, and the community
- ✦ To promote and improve community understanding of District initiatives, goals and needs through communication
- ✦ To encourage positive and productive student involvement in the community and increase opportunities for students to learn through service in the community, including a community-based work program

FINANCE

- ✦ To maintain a fiscally responsible school district whose primary objective is to support its educational mission
- ✦ To establish, implement, and manage a database that plans and monitors capital projects and equipment maintenance
- ✦ To involve the community in the budget process through a budgetary protocol that is open, available, and transparent to the community

GOVERNANCE

- ✦ To organize, disseminate, and implement District-wide procedures for personnel recruitment and management with clear ownership of responsibility
- ✦ To clarify and adhere to governance policies that provide accountability and responsibility commensurate with authority and resources necessary to achieve objectives through an appropriate chain of command
- ✦ To advocate for our District and its mission at the local, state, and federal levels
